ANCIENT OLYMPIC GAMES in GREECE

Ancient Competitions

The tradition of the Olympic Games runs back to ancient Greece. We know that the first Olympic Games took place in the town of Olympia more than 2700 years ago.

There was no war in the country for these five days when sports competition took place. It was a great athletic festival of wrestling, foot-racing, discus throwing and others. The Games were organized and held up to the year of 393.

Then, for more than 1700 years nothing more was heard of the Olympiads.

Revival of the Olympics

The first modern Olympic Games were held in Athens in 1896. Pierre de Freddy, Baron de Coubertin, a young French nobleman, had an idea to bring the Olympic Games back to life. Only 12 countries were represented. From that time the Olympics were held more or less regularly.

They take place every two years. The Games cannot take place in a country which is at war. They contribute much to the struggle for peace, understanding and trust among peoples.

3 Doors Down - The Champion in Me

- You said that mountains too high,
- You said that oceans too wide
- I've heard all new beginnings
- started with an end
- Watch this journey I take,
- turn into something I make
- Please watch closely,
- you may not see this again

- Cause I, know I,
- I was born to be this way
- Everyday I try and I'll do
- everything that it takes
- to become the one
- what I've always wanted to be
- Watch right now
- and you will see the champion in me
- The champion in me

- When the others cower,
- I'm in my finest hour
- We are champions created by design
- While I remember falling,
- I hear these dreams keep calling
- I work so hard, so long,
- I'll take it what is mine

- Cause I, know I,
- I was born to be this way
- Everyday I try and I'll do
- everything that it takes
- to become the one
- what I've always wanted to be
- Watch right now
- and you will see the champion in me
- The champion in me
- Champion, champion in me,
- champion, champion

- Cause I, know I,
- I was born to be this way
- Everyday I try and I'll do
- everything that it takes
- to become the one
- what I've always wanted to be
- Watch right now
- and you will see the champion in me
- The champion in me

A letter to the champion

Dear Evgeniy,

My name is Nataly.

I am 15 years old and I'm your greatest fan.

I think you are the best skater I've ever seen! The thing I like most about you is your fourfold tulup and the way you do it. If you ever come to Sochi I hope you'll come to see me . We could meet and talk about whatever you like. Then you could answer the one question I've always wanted to ask you how do you concentrate before competitions? I believe the best victory is the self-conquest.

I know you get a lot of letters from fans but just please answer me.

Yours Nataly.

**THANK YOU
FOR YOUR
ATTENTION!
GOOD LUCK!**
